

Understanding the World

We will be looking at change and making observations

We will look at growth and decay and label parts of a plant

Physical Development

We will begin to control our letter size

We will learn to use hockey sticks and a ball and work on our balance

We will handle tools with confidence

Personal Social and Emotional Development

We will be looking at friendships and what a good friend is

We will be tasting foods

Literacy

Key texts – Oliver's Vegetables, The Very Hungry Caterpillar, Life Cycles, The Tiny Seed and Jack and the Beanstalk

We will continue to read and write words using phase 2, 3 and 4 sounds including consonant blends

Roots, Shoots and Muddy Boots

Communication and Language

We will speak about animals and plants and how they change

We will act out and retell stories

We will ask and answer questions about what is happening to plants as they grow

Characteristics of Effective Learning

Acting out experiences with others.

Paying attention to detail

Bouncing back after difficulties

Expressive Arts and Design

We will create symmetrical paintings

Draw still life plants

Use different materials to create pictures

Mathematics

We will begin to halve and double

We will order numbers to 20

We will look at even and odd numbers
