Understanding the World

Objectives: Discuss the similarities and differences of each animal and look at where they live. Think about the influence of humans on the ocean

Enhancement or activity: Use the internet or book to research one of the sea creatures. Create a power point or fact file to share your ideas

https://www.youtube.com/watch?v=JOJkvhSpBiQ

Literacy-

Objectives: Children read and write simple sentences and captions using their phonics and tricky words (up to phase 4)

Enhancement or activity: Research your favourite sea creature on the internet Write some facts about it. Think about what is looks like, where it lives and what special features it has. Share on ILD with us.

Find the rhyming words in the book. Can you think of any other words that rhyme eg look, book......
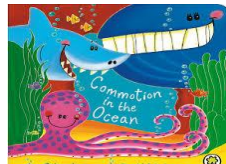

Physical Development

Objectives: Move in different ways and use tools safely.

Enhancement or activity: Choose an animal from the story and see if you can move like it. E.g a crab. See if your adults can guess which sea creature you are being! Use scissors to create long tentacles and make an octopus. How many legs does it need?

Commotion in the Ocean

Expressive Arts and Design

https://www.youtube.com/playlist?list=PLnoO3k54vcBS0l0MUyEElG6J6H3bVNDiX

Objectives: Represent ideas through art.

Enhancement or activity: Can you create some sea creatures with what you have at home. Hang them in the window and add in seaweed and shells to create a sea scene. Send in your photos to ILD we look forward to seeing your creations.

Personal Social and Emotional Development

Objectives: Talk about feelings and ideas

Enhancement or activity: How did the shark make you feel? Tell your adults. Can you describe him?
https://www.youtube.com/watch?v=Cr8xuQjCzLk

Discuss plastic in the oceans and what we could do

https://www.plasticpollutioncoalition.org/blog/2018/5/3/h

Communication and Language

Objectives: Listen to stories attentively and comment on what you hear.

Enhancement or activity: Talk about each creature. Discuss the rhyme and rhyme in the story. Can you find other stories about the ocean and sea creatures? Ask how and why questions and research your answers on the internet. Become an expert and share your findings on ILD

Mathematics

Objectives: To add amounts of objects and solve problems. To combine groups of numbers eg of 2,5,10

Enhancement or activity: Make some sea creatures and count their legs eg 8 on an octopus. If you have two octopus how many legs? What about three. Draw your maths and share on ILD.
